Dear Sophie

You are refusing to share the tenant's references. How could I possibly agree to a continuation of the tenancy arrangement under the circumstances?

Kind regards

Matthias

Dear Matthias,

I hope you are well & had a nice weekend.

Toni has been in touch with me and advised what your thoughts were if she wanted to extend the tenancy for a further 6 months? I know you have remarketed the property but if you haven't found anybody yet this could be an option.

Kind Regards,
